

Tsui Lam Parent Notice (2020 -04 -25)

Dear Parent:

After a week of the resumption of Zoom live lessons, the Principal and teachers have been observing the students' learning performance and are very delighted to see continuous improvement. We appreciate the effort parents have put on children's learning. The following are some supplementary information on the lessons. Please pay attention as follows:

1. During class suspension, teachers will remind students to follow lesson rules to fit the security and courtesy requirements. Please guide your children alongside. If students cannot fulfill the requirements after reminders, they will be arranged to leave the lesson. Our school has planned a **Zoom Learning Award (Zoom 學習獎勵計劃)** to encourage students to study diligently and follow class rules. (See attachment 1). Moreover, the IT team has also provided a **guide on changing your name in Zoom lessons (Zoom 更改姓名教學)** where necessary for your reference (See attachment 2).
2. Considering students' privacy and other technical issues, our school will **only upload the Zoom lesson PowerPoint / video on the day** to the learning platform for students to revisit after lessons. **Zoom lesson recordings will not be uploaded at this stage.** Please encourage your children to join online live lessons.

Enter here to revisit the Zoom lesson PowerPoint/
video after 5pm on the day.

If you have any queries or comments on the learning arrangements during class suspension, please email tl_ict@hcmstl.edu.hk or contact class teacher. We thank you for your efforts in supporting students' learning together once again!

We wish you and your family happiness!
